Dear Mr. Shoecraft:

Your extraordinarily articulate "Did You Know" series has been introduced to me by Mrs. Donna Whitfield of Warrensville Hts., Ohio.

This is just a short note of encouragement for you and your staff at "Did You Know" to keep up the good work.

Please be aware that after reviewing your publication of Rosa Parks that copies have been ordered for the Main Library in Cleveland, Ohio as well as all of our twenty eight branches.

Thanks to Mrs. Whitfield for bringing this fine publication to my attention and Thanks to you for the part you play in the enlightening of our children relative to their African American heritage.

Sincerely,

Joan Brown
Personnel Officer
