Dear William,

Thank you for the copy of the teacher's guide, Woven Traditions. I am honored to be included within its pages as there are many valuable lessons on race, culture, and equity to be learned from this text. You can be very proud of this publication.

I wish you success with this text and look forward to receiving the authors' next educational tool when it is published.

A handwritten signature in black ink, appearing to read "Nancy", is written over the printed name.
